# THE STATE OF SOUTH CAROLINA 2008 ANNUAL SCHOOL REPORT CARD

## RATINGS OVER 5-YEAR PERIOD

Year	Absolute Rating	Growth Rating
<b>2008</b>	<b>Excellent</b>	<b>Excellent</b>
2007	Good	Below Average
2006	Good	Below Average
2005	Good	At-Risk
2004	Excellent	Good

## DEFINITIONS OF DISTRICT RATING TERMS

- Excellent – District performance substantially exceeds the standards for progress toward the 2010 SC Performance Goal
- Good – District performance exceeds the standards for progress toward the 2010 SC Performance Goal
- Average – District performance meets the standards for progress toward the 2010 SC Performance Goal
- Below Average – District is in jeopardy of not meeting the standards for progress toward the 2010 SC Performance Goal
- At-Risk – District performance fails to meet the standards for progress toward the 2010 SC Performance Goal

## SOUTH CAROLINA PERFORMANCE GOAL

By 2010, South Carolina's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

**ABSOLUTE RATINGS OF CAREER CENTERS\***

Excellent	Good	Average	Below Average	At-Risk

\* n = number of students on which percentage is calculated.

Definitions of Performance Rating Terms

- \* Technical Skill Attainment --- The percentage of students enrolled in career and technology courses at the center who earn a 2.0 or above on the final course grade.
- \* Graduation Rate --- The percentage of 12th grade career and technology students who graduate in the spring.
- \* Placement Rate --- The percentage of career and technology completers available for placement over a 3-year period who are actually placed in postsecondary instruction, military services, or employment.

Report of Director and School Improvement Council

Dear Parent / Guardian:

Rock Hill School District's Applied Technology Center (ATC) provides career and technical education programs of study for students from Northwestern, Rock Hill, and South Pointe High Schools. ATC is fully accredited by the Southern Association of Colleges and Schools, and offers a combination of thirty different programs and courses from which students may select. Courses range in variety from Pre-Engineering and Industrial Technology to Culinary Arts, Television Broadcasting and Production, Commercial Design and Animation, Graphic Design and Printing, Cosmetology, Early Childhood Education, Medical Science Technology, Marketing, Fashion Design, Computer Networking, Home Technology Integration, Pharmacology, Architectural Drafting, Pre-Engineering, Landscape Design, Turf Management, and Warehouse Distribution and Logistics.

Exposure to these career related courses provide our students with both theory and practical experiences, which provide them opportunity to acquire an employable skill set as well as help them make informed decisions regarding their career goals and/or post secondary experience. Making career decisions after high school can be extremely costly in terms of time and expense. By taking courses at ATC students may experience a variety of career opportunities with little or no expense other than time and effort.

During the 2007-2008 school year, ATC continued to partner with York Technical College to offer dual enrollment opportunities for our students through the Early College initiative. Participation in this program provides students the option of being concurrently enrolled in courses to receive both high school and college credit. Most programs of study at ATC offer up to six college credits that may be applied toward a program degree or a specific industry certification.

Students in each of our programs participate in Career and technical competition across the state and nationally with other students in related career and technical programs. ATC is recognized state-wide as being highly competitive in each category. During the 2007-2008 school year students from the Early Childhood Education, Cosmetology, and Networking programs earned 1st place state honors and will represent South Carolina at the summer national competition. Two programs, Small Engines and Construction Engineering were awarded second place finishes. In addition, the Robotics team was a finalist in regional competition.

Our faculty and staff invite the community to visit the school to learn more about the "best kept secret in Rock Hill". Our school continues to strive for excellence and to offer the very best educational and occupational opportunities possible.

Don Gillman, Director  
Dr. Marc Tarplee, SIC Chairperson

No Child Left Behind

School Adequate Yearly Progress

YES

\* Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the state rating for career and technology centers must be Excellent, Good, Above Average, Average, or Below Average.
